

VILLAGE OF ALSIP

12221 S. ORCHARD AVENUE, ALSIP IL 60803
708-385-6902 x364

Dear Resident,

The Arbor Day Foundation is partnering with ComEd to give away 6,500 low-growing trees to their customers to help maintain reliable electric service, reduce energy costs and beautify the communities they serve. We want to be sure that you are aware of this opportunity and have a chance to participate this spring. As of May 15th only 1,800 trees are remaining, and they will be spoken for quickly.

Simply go to **arborday.org/comedfreetrees** and use the online tool to determine the best location in your yard to plant your free trees. During the checkout process, use promo code **AD2015**. If you need technical assistance or help placing your order, please call our contact center at 855-234-3801. If planting on the village parkway please check on villageofalsip.org under departments, public works, forestry, approved tree list for which trees are allowed to be planted on the village parkway.

Your free 2' to 4' foot trees will be shipped directly to your house ready for planting this spring. All at no charge!

This offer is only available to ComEd customers. Please reserve your trees today, as supplies are limited and will sell out quickly.

If planting on the Village of Alsip parkway there is an ordinance stating that trees must have 50 feet in between them and you're required to fill out an application to plant on the parkway. See villageofalsip.org under departments, public works, forestry, tree planting permit.

Thank you,

Village of Alsip Public Works Department
